

LINDEN BERTRAND C. CAPACILLO

Full-Stack Developer

WORK EXPERIENCE

PROJECT HOMEGROWN COMPANY

Junior Full Stack Developer

06/2026 – Present

- Designed and developed a full-stack web application using HTML, CSS, Bootstrap, JavaScript, Node.js, Express, EJS, and PostgreSQL.
- Implemented a client acquisition system to showcase company services, mission, and vision.
- Integrated an automated lead generation form allowing potential clients to request business consulting services.

WALMART INC.

Shipping And Receiving Coordinator

03/2025 – Present

- Operate sorter equipment by removing full totes, replenishing empty ones, and scanning locations with a handheld device.
- Optimize tote capacity by rearranging individual units to ensure proper fill rates.
- Pack and ship pharmacy products accurately using both manual and semi-automatic methods.

WESTAT

Helpdesk Support / eQIP Agent

11/2023 – 03/2025

- We manage inquiries and guide field and support staff through the National Assessment of Educational Progress (NAEP) eQIP application process.
- Our team initiates, reviews, and processes these applications while providing direct technical and procedural assistance to applicants.

WALMART INC.

Department Manager

09/2017 – 10/2023

- Drive operations, merchandising, and financial performance for the assigned department.

Sales Associate

02/2015 – 09/2017

- Stock merchandise, organize displays, adjusting prices and maintain a clean shopping environment.
